

Colorado Wing Radio Station Call Sign Application Instructions

JUSTIFICATION

Call signs are necessary to operate on a CAP Radio system. Every unit has a call sign assigned to them. Individuals that lack a personal call sign should use their unit call sign but only at the approval of their unit commander. If an individual owns or is assigned a CAP radio, they may qualify for a call sign assignment. A member that has no radio equipment assigned to them will not be issued a call sign. Exceptions can be made by the COWG DCL.

QUALIFICATIONS

- Member must be ICUT qualified.
- Member must possess a NTIA qualified radio.
- Member must be approved by their Unit Commander.

APPLICATION

Applications are found on the COWG Website in the Communications directory. Member shall fill out the application and obtain approval from their unit commander. Email version (scanned copy) of the final application may be submitted to the COWG Director of Communications, Licensing Officer (DCL) at the following email address:

msheets@cap.gov

Capt Mark Sheets
COWG DCL
Blue Mesa 41
