

C/2d Lt. Alexandria Johnson
Air Academy Cadet Squadron — CO-159

C/2d Lt. Johnson currently holds the position of Cadet Commander at the Air Academy Cadet Squadron, where her contributions have played a crucial role in the squadron's achievements. Her primary aspiration centers around acquiring a Private Pilot License (PPL), for which she is dedicated to pursuing training through EAA and Civil Air Patrol. In addition, her ultimate goal is to secure a pilot slot in the Air Force. She aims to achieve this objective either by attending the United States Air Force Academy (USAFA) or by participating in an Air Force Reserve Officer Training Corps (AFROTC) program. Once she secures a slot, her specific interest lies in flying cargo or bombers in the Air Force.
