

C/LtCol Micah Lane

Parker Composite Squadron — CO-173

C/LtCol Lane is currently the Vice Chair for the Colorado Wing Cadet Advisory Council. He currently holds the position of Cadet Deputy Commander for Operations within his squadron and has become Cadet Commander of his squadron. Throughout his time in Civil Air Patrol, he has attended several NCSAs including but not limited to Honor Guard Academy and Cadet Officer School, as well as participated in several activities such as Color Guard. All of these have taught him invaluable lessons in leadership and discipline which has proven to make him an outstanding cadet in the Civil Air Patrol program, and will prove to make him an outstanding officer in the United States Air Force. He is one of the most talented runners in the state, and enjoys running as well as weightlifting often; yet he does not cease to enjoy academic rigor through the form of STEM-related problems. With outstanding leadership, athletic, and academic qualities, C/LtCol Lane makes himself a competitive candidate for the United States Air Force Academy, where he wishes to attend and serve in the United States Air Force as a fighter pilot, and ultimately become an astronaut. Regardless of how he serves our country, private or government, astronaut or engineer, he will most certainly be very successful in his respective field.
