Although C/SrA Snowe holds no current leadership positions within the squadron, Snowe has performed exceptionally as an Assistant CAC Representative for Starfire Composite Squadron. In order to fulfill this dream, C/SrA Snowe hopes to earn his Billy Mitchell Award and become an officer within Civil Air Patrol and start his career from there. After serving in the Air Force, C/SrA. Snowe is planning to strive to earn his private pilots license and to fly smaller single engine aircraft. Either way, C/SrA. Hawthorne Snowe is sure to excel no matter the career path or job.
